Offg. Secy. to the Govt. of Bengal.

NOTIFICATION.

The 26th April 1886.—Whereas by a notification, dated the 28th January 1884, published at pages 251-54, Part I of the *Calcutta Gazette* of the 30th idem, the Lieutenant-Governor was pleased, under the powers vested in him by section 5, Act III (B.C.) of 1883, to authorize Mr. Gilbert Finlayson, of Bankipore, to construct a line of tramway from a point near Begumpore, the Patna City Station of the East Indian Railway, to a point adjoining the Post Office bungalow at Bankipore, situated within the limits of the Patna Municipality, with the consent of the Commissioners of that Municipality given at a meeting specially convened for the purpose; and whereas the said Mr. Gilbert Finlayson has since, with the consent of the said Commissioners, transferred to the Behar Tramways Company, Limited, by a duly executed deed, all rights and liabilities possessed by him in respect of the construction of the aforesaid line of tramway; and whereas application has been made to the Lieutenant-Governor for sanction to the transfer thus effected, the Lieutenant-Governor is pleased, in exercise of the powers vested in him by section 6 of the aforesaid Act, to direct, in modification of the order contained in the notification, dated 28th January 1884, above cited, that the aforesaid line of tramway shall be constructed and worked by the Behar Tramways Company, Limited, in accordance with the terms of the agreement hereinafter published, and that the line shall be ready and open for traffic within 12 months from the date of this order:—

ARTICLES OF AGREEMENT made this thirteenth day of April one thousand eight hundred and eighty-six between THE CHAIRMAN AND COMMISSIONERS OF THE PATNA CITY MUNICIPALITY incorporated under Act V of 1876 of the Lieutenant-Governor of Bengal in Council now replaced by the Bengal Municipal Act 1884 hereinafter together with their successors or assigns generally referred to as “the Local Authority” of the one part and THE BEHAR TRAMWAYS COMPANY LIMITED a Joint-stock Company with limited liability having its Registered Office in Calcutta and having been duly incorporated under the provisions of the Indian Companies Act 1882 hereinafter called “the company” of the other part. WHEREAS the Local Authority has subject to the provisions of Act III of 1883 of the Lieutenant-Governor of Bengal in Council agreed to grant to the said Company the right to construct maintain and use a tramway in Patna City and elsewhere as herein mentioned upon the terms and conditions hereinafter contained: AND WHEREAS all necessary maps plans sections and drawings of the work now prepared have been submitted to and approved by the Local Authority: NOW THESE PRESENTS WITNESS that in consideration of the covenants and agreements hereinafter contained and on the part of the Local Authority to be performed the said Company for itself its successors and assigns doth covenant with the Local Authority so far as the covenants and agreements hereinafter contained are or ought to be performed by the said Company and its successors and assigns and the Local Authority for and in consideration of the covenants and agreements hereinafter contained and on the part of the said Company and its successors and assigns to be performed doth hereby covenant with the said Company and its successors and assigns so far as the covenants and agreements hereinafter contained are or ought to be performed by the Local Authority in manner following that is to say.

1. The Local Authority hereby grants to the said Company its successors and assigns (all which persons are hereinafter included in the words “the said Company”) the right to construct maintain and use a tramway or tramways with single tracks and with all necessary sidings turn-outs connections and tracts to and from the stables of the Company on the following routes viz. from a point near Begumpore (the Patna City station, of the East Indian Railway) to a point adjoining the Post Office bungalow Bankipore a single track and between such other places and by such other routes as may be hereafter approved by the Local Authority and sanctioned by the Local Government. The said Company may also construct maintain and use any tramway or tramways under this Agreement with double tracks in such place or places as the Local Authority may expressly sanction a double track having regard to the width of the street and such other considerations as the Local Authority may in their absolute discretion think necessary to take into account. The said Company

shall not except with the express approval and permission in writing of the Local Authority construct more than one turn-out or siding in any one mile of the said tramway or tramways and such turn-outs sidings shall be of such dimensions as shall be approved by the Local Authority.

2. The said Company shall moreover (subject to the terms of these presents) have the exclusive right of laying constructing maintaining and using a tramway or tramways within the limits of the Patna Municipality on the terms contained in these presents: provided always that if the said Company shall at any time or times refuse or neglect for three months to accept any proposal by the said Local Authority for the construction maintenance and use of any tramway or tramways other than those mentioned in clause one which the said Local Authority may consider necessary or desirable it shall be lawful for the said Local Authority to employ any other person or Company for the purposes aforesaid or any of them and to make such arrangement as it may think proper independently of the said Company.

3. The cars and carriages intended to run on the said tramways shall be such as may from time to time be approved by the Local Authority and the same may from time to time be modified with the sanction of the Local Authority.

4. The said cars and carriages shall be worked with animal or mechanical power according as the Local Authority shall from time to time direct and as the convenience and safety of the public using the streets may make necessary or desirable. At first passenger cars shall be drawn only by horse or mule power goods wagons running at night between the hours of 9 p.m. and 5 p.m. may be hauled by such steam-engines as the Local Authority shall approve at a speed not greater than five miles an hour.

5. The maximum rate of fare (1) for passengers carried by the tramway shall be for each passenger one anna per mile for the lower class and two annas per mile for the higher or first class and (2) for goods shall be eight annas per mile per one hundred maunds and (3) for parcels shall be from terminus at Patna to terminus at Bankipore on the following scale viz. two annas per 10 seers weight or under three annas between ten and twenty seers weight and an additional anna for every further ten seers or part of ten seers. Parcels will ordinarily only be booked through and no reduction will be made for any parcel not required to be sent through nor shall the Company be bound to take any such parcel.

6. When any work on any road or bridge is finished the surplus rubbish on such road or bridge shall unless required by the said Company to fill up existing gaps in the roadway at other points be cleared away and deposited at such place or places within a distance (not exceeding two miles) as the Local Authority may direct for the use of the Local Authority.

7. The said Company shall at its own expense at all times maintain and keep in good condition and repair in such manner as the Local Authority shall direct in the case of double lines or turn-outs or sidings in addition to the portion of the road between the tramways also so much of the road as extends twenty-four inches beyond the rails of and on each side of any tramway instead of only eighteen inches as provided in section 16 of Act III of 1883.

8. The tramway shall be constructed on a gauge of three feet three and three-eighths inches and shall be laid and maintained in such manner that the uppermost surface of the rails shall be on a level with the immediately adjacent surface of the road.

9. The sleepers rails materials implements and erections placed and erected by the said Company on the streets or roads under powers granted hereby or by Act III of 1883 shall be and remain the property of the said Company but it shall not erect remove or displace the same or any of them or any part thereof without the consent in writing of the Local Authority.

10. In the construction of the tramway specified in clause one of these presents as to be made now the said Company shall so construct and maintain the said tramway with its sidings that no part of the same shall be within a less distance than seven feet from any part of the houses or from any steps or other projections attached to the houses and abutting on the road (whichever shall be nearest to the tramway) on the right side of the road i.e. the south or west side being the side which is on the right hand of a person travelling from the Bankipore Post Office to the Patna City station) or within a less distance than seventeen feet from any part of the houses on the left side of the road: PROVIDED that if in any case the said limit of seventeen feet on the left side of the road or seven feet on the right side of the road cannot be obtained without in the opinion of the Local Authority hardship to the Company or without in such opinion causing it great expense the Local Authority shall on cause being shown and on being satisfied that no injury or inconvenience will thereby result to the ordinary road traffic permit the total space required on both sides of the road to be reduced to a clear twenty-one feet three inches exclusive of all drains and other projections where such exist and exclusive of a space of two feet four inches to be left on both sides of the road wherever there may not be existing drains and projections so as to allow of such being made if necessary: PROVIDED NEVERTHELESS that in places where there are existing drains or projections of a less width than two feet four inches the said width aforesaid of twenty-one feet three inches shall be also exclusive of such drains or projections and the space occupied by the drains or projections make up a total space of two feet four inches on each side of the road; AND PROVIDED LASTLY that it shall also be lawful for the Company in places where sufficient roadway to give a clear twenty-one feet three inches cannot otherwise be obtained to cover any side drains which there may be and which the Company is required in the roadway which they are hereby required to provide.

11. The said Company shall submit periodical returns of traffic at not more frequent intervals than once a week in the following form:—

Return for the week ending

Number of passengers carried in the week.	Receipts from passenger traffic.	Number of maunds carried.	Receipts from goods and parcel traffic.	TOTAL.

or in such modification thereof as the said Local Authority shall from time to time direct.

12. The said Company will if required by the Local Authority and corporation and before opening and breaking up the soil or pavement of any street or bridge deposit with the Bank of Bengal in the name of the chief officer of the Local Authority the sum of rupees five thousand or in the option of such officer Promissory Notes of the Government of India of the nominal value of rupees five thousand and the same will remain so deposited until the completion by the said Company of the line of tramway then in construction. All interest accruing on the said sum or notes shall be credited to the said Company and subject as next hereinafter mentioned be paid to it as the same falls due. The Local Authority shall be entitled to deduct all fines expenses and penalties out of the sum so deposited or the interest accruing on the said sum or notes or out of the proceeds of sale of such notes or a portion of such notes on completion of the said tramway.

13. The provisions herein contained shall so far as applicable apply to all tramways to be constructed by the said Company by any route or routes to be hereafter fixed or agreed to by the Local Authority and sanctioned by the Local Government and to the works connected with or incidental to such tramways.

14. The said Company shall complete in every respect (ready for opening and working for traffic) the said tramway now to be constructed and all necessary plant buildings stores live-stock and rolling-stock within twelve months from the date of the order of the Local Government under section 3 of the said Act III of 1883 in regard to this present Agreement. In the event of the said Company failing so to complete the work the Local Authority shall be at liberty to determine this contract and to enter into arrangements with any other person or persons for the construction of tramways within the limits of the Patna Municipality.

15. If the said Company fail in any respect to comply with any of the provisions of the said Act III of 1883 especially sections 14 15 16 17 20 and 22 and the Local Authority shall find it necessary or desirable to do anything or incur any expense to remedy any such failure on the part of the said Company all expenses so incurred shall be on demand repaid to the Local Authority by the said Company and the certificate of the chief officer of the local authority shall be conclusive evidence that all expenses referred to in such certificate were so incurred and the said Company shall not be at liberty to dispute the same.

16. In consideration of the concession herein granted the said Company shall pay to the Local Authority a yearly rent of rupees one thousand and five hundred per mile of double track and of rupees one thousand per mile of single track and a further yearly rent of rupees sixty for each turn-out or siding. No tracks necessary to connect the traffic lines with the stables carriage-sheds factories or other property or properties of the said Company shall be included in the mileage on which rent is to be paid such necessary connecting tracks being rent-free.

17. If the said rent or any part thereof shall not be paid on due date the said Company shall be liable to pay interest thereon at the rate of eight per cent. per annum from the due date until payment.

18. From and after the commencement of the fifteenth year of this contract to the end of the twenty-first the said Company shall not be at liberty to enter upon any fresh engagements or expenditure which would increase its capital account in connection with this contract without first notifying its intention to the said Local Authority and obtaining its approval thereof and sanction thereto in writing.

19. The date of the commencement of this concession shall be the date on which notice of the sanction of the Government of Bengal to the same shall be given to the said Company.

20. In the event of either section 39 or 40 of the said Act III of 1883 taking effect or being put in force and of the Local Authority exercising the right of purchase of any tramway effected by either of the said clauses the value of the property purchased shall be ascertained in manner mentioned in clause 21 or at the option of the Local Authority the property shall be put up for sale by public auction in Patna with liberty to the Local Authority to bid.

21. The Local Authority shall have the right of purchasing the said tramways with the plant buildings stores rolling-stock and everything connected therewith upon the expiration of twenty-one years from the commencement of this contract upon declaring its intention so to do in writing not less than six months before the expiration of the said twenty-one years and shall have a renewed right of purchase at the end of every seven years after the expiration of the said twenty-one years upon similar notice being given and the consideration for such purchase shall be cash payment of one and two-fifths of the amount of the interest

capital of the said Company or securities of the Government of India or securities the interest whereon shall have been guaranteed by the Secretary of State for India in Council or debentures of the said Local Authority of such amount as to produce at the rate of interest current on such securities seven per cent. per annum on the amount of the said invested capital and if the consideration for such purchase shall be given in such securities as aforesaid the said Company shall be entitled to have in addition a first mortgage of all the property assets and profits of the tramway or tramways which shall have been purchased from it. IN WITNESS whereof the said parties to these presents have hereunto set their respective hands and seals the day and year first above written.

NOTIFICATION.

The 1st May 1886.—It is hereby notified that, under section 27, Act III (B.C.) of 1884, the Lieutenant-Governor is pleased to appoint Mr. A. Forbes, c.s., to be Chairman of the Suburban Municipality, *vice* Mr. A. W. Paul, resigned.

R. H. WILSON,
Offg. Secy. to the Govt. of Bengal.

NOTIFICATION.

The 1st May 1886.—It is hereby notified for general information that the Lieutenant-Governor intends, in the exercise of the powers vested in the Local Government by section 351 of Act III (B.C.) of 1884, and on the recommendation of the Commissioners of the Hooghly and Chinsurah Municipality made at a meeting, to confirm the bye-laws reproduced below, which have been framed by the Commissioners of the said Municipality under section 350 of the said Act, unless good reasons are shown to the contrary within one month from the date of the publication of this notification within the Municipality.

2. These bye-laws will supersede those published under Government notification, dated the 11th May 1880, at pages 354 to 357, Part I of the *Calcutta Gazette* of the 12th idem.

BYE-LAWS FOR THE HOOGHLY AND CHINSURAH MUNICIPALITY.

For regulating the conduct of business at meetings.

1. The day of the meeting shall ordinarily be the second Tuesday in every month, unless the Chairman for any special reason fix any other day. A notice signed by the Chairman or Vice-Chairman shall be circulated at least three days before the day of the meeting.

2. A list of business to be transacted at the meeting shall accompany the notice, and no matter which is not contained in such list shall be brought forward for discussion at any meeting unless with the consent of the majority of the Commissioners present at the meeting.

3. Any member wishing to bring any proposition before the Commissioners at a meeting shall give written notice to the Chairman or Vice-Chairman of his intention to do so, and such proposition shall be included in the next list of business which may be prepared after the receipt of the notice.

For regulating the time and mode of collecting the taxes.

4. Every collecting officer shall be provided with a certificate of his authority to collect, and every such certificate shall bear the seal of the municipality and the signature of the Chairman. Every collecting officer at the time of demanding payment shall be bound to show his certificate if required.

5. Every collecting officer receiving any money in payment of any demand shall give a receipt for it.

6. Every person required in writing to furnish any schedule or return which the Commissioners may lawfully require him to furnish shall send such schedule or return to the office of the Commissioners within one week from the date of the service of the requisition in the manner described in section 356 of the Act. Any person failing to do so shall be liable to a penalty not exceeding Rs. 5 for the omission, and to a penalty not exceeding Rs. 2 for every day the omission shall, after warning, continue.

Any person submitting a false or incorrect schedule or return shall be liable to a penalty of Rs. 20, provided that nothing in this bye-law shall be held to prevent the institution of a criminal prosecution under the Penal Code should the facts appear to warrant such a proceeding.

7. Payment of purchase-money for property sold and the delivery of the property shall be made immediately after the sale; and if the purchaser fail to pay the full amount of his bid, it shall be lawful for the distraining officer at his discretion, to sell the property again on the same day or on any other day, of which due notice shall be given, and the former purchaser shall in such case be responsible to the Commissioners for any loss, which shall be recoverable as a debt due to them.

For regulating the conduct of persons employed by the Commissioners.

8. All persons employed by the Commissioners whose services may be no longer required shall be liable to discharge after receipt of previous notice, or pay in advance, for the period of one month; and no such person shall withdraw from the duties of his office without having given previous notice for the period of one month, on pain of forfeiture of one month's salary.

9. All persons now holding, or who may hereafter be appointed to any office under the Commissioners, shall, when required so to do, furnish good security to such amount as the Commissioners may from time to time fix, and any person failing to furnish such security within such time as the Commissioners may appoint, shall be held to have thereby forfeited his appointment, and may be removed from office.

10. The Commissioners shall have power to inflict for neglect of duty a fine not exceeding one month's pay upon any person employed by them.

For regulating the disposal of offensive matter, rubbish, and dead bodies of animals.

11. Every person within whose premises any animal may die shall, within two hours after its death, or, if death occurs at night, within two hours after daylight, either remove at his own expense the carcass to such place as may be set apart by the Commissioners for the reception of such carcasses, or report the death to the conservancy overseer of the division within which such premises may be situated; and in such latter case shall pay to the said overseer the expense of removing the carcass at the rate of Rs. 2 for a large and annas 8 for a small animal; and in cases where the said person is not the owner of the animal, and the owner is known, the owner shall alone be responsible for the payment of such expense, and such expense shall be recoverable as a debt due to the Commissioners. No overseer, when called upon, shall neglect to remove a carcass.

The penalty for infringement shall be a fine not exceeding Rs. 10.

12. No person shall deposit, or cause to be deposited, any carcass, or any part of a carcass, in any place other than such places as may from time to time be appointed by the Commissioners for the reception of such carcasses.

The penalty for infringement shall be a fine not exceeding Rs. 10.

13. All dust, dirt, and rubbish of every kind, the removal of which is undertaken by the Municipal Commissioners, shall be deposited between the hours of 4 A.M. and 8 A.M. on the side of the road near the entrance of the premises from which it has come.

The penalty for infringement shall be a fine not exceeding Rs. 10.

14. No refuse resulting from any business, trade, or profession shall be removed by the Municipal Commissioners, except on payment for removal at the rates mentioned below—

	Rs.	A.	P.

ORDERS BY THE LIEUT.-GOVERNOR OF BENGAL.

MUNICIPAL AND LOCAL.

NOTIFICATION.

The 3rd June 1886.—It is hereby notified for general information that the Lieutenant-Governor intends, in the exercise of the powers vested in the Local Government by section 351 of Act III (B.C.) of 1884, and on the recommendation of the Commissioners of the Kotechandpore Municipality, made at a meeting, to confirm the following bye-laws which have been framed by the said Commissioners under section 350 of the said Act, unless good reasons be shown to the contrary within one month from the date of the publication of this notification.

Bye-laws.

FOR REGULATING BURNING-GHATS AND BURIAL-GROUNDS.

1. No person when burning or causing to be burnt any corpse, or part of a corpse, in any burning-ground, shall permit the same, or any part thereof, or the clothes and other articles appertaining thereto, to remain at the ghât without being completely reduced to ashes.

The penalty for infringement shall be a fine not exceeding Rs. 20.

2. No person shall remove or sell any clothes or other articles appertaining to a corpse which may have been left at any burial-ground or burning-ghât.

The penalty for infringement shall be a fine not exceeding Rs. 50.

3. No person shall carry a corpse, or part of a corpse, through any highway unless it be covered and concealed from view.

The penalty for infringement shall be a fine not exceeding Rs. 10.

4. No person, while conveying any corpse, or part of a corpse, shall, except for the purpose of ordinary relief, deposit it on or near any public highway.

The penalty for infringement shall be a fine not exceeding Rs. 10.

GENERAL-BYE-LAWS.

5. No person shall construct or place over or by the side of any public drain any bridge, platform, building, or structure of any kind, except by and with the written permission of the Commissioners, and in such manner as they shall direct.

The penalty for infringement shall be a fine not exceeding Rs. 50, and the penalty for continued infringement shall be a fine not exceeding Rs. 3 daily.

6. No person shall make a shop over any public drain, or in any way occupy any culvert, bridge, or platform which may have been placed over any public drain without the permission of the Commissioners at a meeting.

The penalty for infringement shall be a fine not exceeding Rs. 50.

7. No person shall perform any office of nature in any public road or place other than such places as may have been appointed by the Commissioners.

The penalty for infringement shall be a fine not exceeding Rs. 10.

8. No person shall remove from or deposit earth or any other substance in, or make any alteration whatever, in any public drain without the permission of the Commissioners. The penalty for infringement shall be a fine not exceeding Rs. 50.

FOR REGULATING THE DISPOSAL OF OFFENSIVE MATTER, RUBBISH AND DEAD BODIES OF ANIMALS.

9. The Commissioners may, from time to time, order to be closed and appoint places for the deposit of the carcasses of animals. Any person who shall deposit, or cause to be deposited without special permission, the carcass of any animal in any place other than those that may have been appointed by the Commissioners, or in any place which they may have ordered to be closed, shall be liable to a fine not exceeding Rs. 50.

10. Every person within whose premises any animal may die shall, within four hours after its death, or if death occurs at night, within two hours after daylight, either remove at his own expense the carcass to such place as may be set apart by the Commissioners for the reception of such carcasses, or report its death to the Vice-Chairman, and in such latter case shall pay the expense of removing the carcasses at such rate as the Commissioners may determine, and in cases where the said person is not the owner of the animal, and the owner is known, the owner shall alone be responsible for the payment of such expense and such expense recoverable as a debt to the Commissioners.

The penalty for infringement shall be a fine not exceeding Rs. 10.

FOR REGULATING THE TRAFFIC IN THE STREETS.

11. Every carriage plying between dusk and dawn shall carry two conspicuous lights, and every cart shall carry one conspicuous light except on bright moonlight nights.

The penalty for infringement shall be a fine not exceeding Rs. 20.

WEDNESDAY, JUNE 30, 1886.

PART IB.

ORDERS BY THE LIEUT.-GOVERNOR OF BENGAL.

MUNICIPAL AND LOCAL.

NOTIFICATION.

The 26th June 1886.—The following draft rules under section 138 (i) of the Local Self-Government Act III (B.C.) of 1885 are published for general information. They will be taken into consideration on the 1st August 1886.

Rules for keeping accounts of District Funds under the Bengal Local Self-Government Act, 1885.

GENERAL.

1. All the accounts and registers prescribed in these rules shall be maintained in English. All books of account and registers shall be substantially bound and paged before being brought into use, and no accounts shall be prepared on loose sheets of paper, or in loosely bound volumes.

2. All corrections and alterations in accounts shall be neatly made in red ink, and attested by the initials of the Chairman or Vice-Chairman. Similarly, all alterations and corrections in a voucher shall be attested by the payee. Erasures shall on no account be permitted in registers, statements, vouchers, or accounts of any description.

WORKS.

3. All works shall be divided into two classes, *original* and *repairs*—

(1) *Repairs* shall include all operations required to maintain works in proper condition.

(2) *Original works* shall comprise all works which do not come under the classification of repairs.

4. A separate estimate shall be sanctioned for every entry under the heads of "original works" and "repairs" in the annual estimate of income and expenditure.

5. No expenditure shall be incurred on any works until estimates have been sanctioned by competent authority, and the necessary funds have been formally allotted for their execution.

6. Except in case of emergency, or to prevent damage or loss, no work shall be put in hand until an estimate for carrying it out has been sanctioned by competent authority.

7. A revised estimate shall be prepared immediately there is reason to anticipate that an estimate will be exceeded by more than 10 per cent. of its total amount, or where considerable alterations of the original estimate are desired, and it shall be submitted for the approval of the authorities whose sanction would be necessary if it were an original estimate. If a work for which a revised estimate is required cannot be stopped, pending approval to the revised estimate, the approving authorities shall be at once informed of the changes proposed, and their consent shall be obtained to the continuance of the work: if this is refused, the work must be stopped.

8. A supplementary estimate shall be prepared when the additional work required is in excess of Rs. 600, or of 5 per cent. of the original estimate.

9. The cost of every survey or preliminary operation other than those which can be carried out by the paid district establishment shall be considered to be a "work," and shall be covered by a sanctioned estimate, and a specific assignment of funds.

10. On the completion of any work, a completion report shall be submitted by the District Engineer to the Chairman; and any deviation from the design and estimate that may have been made during the construction of the work must be fully explained in it: when the completion report relates to a work which requires the approval of the Inspector of Local Works or higher authority, the Chairman shall send it to the Commissioner of the Division through the Inspector of Local Works. The Commissioner shall either return it to the Chairman for record, or take such further action as he may consider necessary.

RATES OF WORK.

11. In order to secure proper rates it is necessary that measurements of work done should be fully and carefully made, and District and Local Boards shall take care that this is done.

12. It is of great importance that there should be some relation between the district and provincial rates of works. The Provincial Superintending or Executive Engineer will accordingly furnish District and Local Boards with rates of such provincial works as are executed in the district, and the District Board should furnish the Superintending Engineer with a list of the District Engineer's rates, and with any variations therein that are made from time to time. Both the Divisional Commissioner and the Inspector of Local Works should pay particular attention to this subject, in order that only the lowest rate for which work can be efficiently done may prevail in either the district or division.

BUDGET ESTIMATE.

13. The Collector shall, at such date as the District Board shall fix, prepare and transmit to the District Board a statement showing the estimated balance of the District Road Cess Fund (supposing the cess to be levied at the rate fixed by the District Board for the current cess year under section 46 of the Act), which will be available for transfer to the credit of the District Fund during the financial year next ensuing.

14. A budget estimate in Form No. I, showing the probable receipts and expenditure of the District Fund during the ensuing financial year, shall be prepared by the Finance Committee, constituted under section 55 of the Act, and laid before the Board at a meeting to be held not later than the 1st of February of each year.

The estimate shall set forth the estimated revenue and expenditure under major and minor heads of account only, and it shall be accompanied by a schedule in Form No. II, in which shall be entered the full details of the estimated revenue and expenditure, working up to the totals, shown under the different minor heads of account in Form No. I.

15. In the schedule of receipts full details should invariably be furnished of the estimated revenue from rents of serais and staging bungalows, fees and forfeitures and miscellaneous.

16. As regards expenditure, the schedule should give the details of all establishment and contingent charges, specifying the rate and amount of salary to be drawn by each class of employé.

17. The estimated outlay for the year on *each* original work and repair shall be distinctly shown, and in the case of original works the total estimated cost for the whole work, and the total estimated outlay on each work up to the close of the current year shall also be given.

18. The distinguishing numbers of the roads and works shall always be stated, and no allotment shall be made for any work not included in the district list of roads and works.

19. Tools and plant should also be detailed, distinction being made between new supplies, repairs, and carriage.

20. The detailed estimates of works and repairs approved by the District Board, and, if necessary, by higher authority, shall be attached to the budget estimate.

21. In framing estimates care should be taken to estimate for the retention of a reasonable working balance of cash in hand at the close of the year. The amount may usually be placed at *one quarter's road cess kist* for each District Board.

22. Each District Board shall forward to each Local Board subordinate to it an extract of so much of the budget, as sanctioned, as shall be necessary to convey full information of the works, services, &c., to be executed or maintained by such Local Board.

23. No change shall be made in the major or minor account headings prescribed by Government, and the same account headings shall be used in all accounts and returns prepared or issued by District Boards.

The minor heads of account may be sub-divided in the Cash Abstract registers as may be found convenient, but all returns, &c., shall be compiled by totals of minor heads.

24. In preparing the budget estimate attention shall be given to the following point:—

- (a) What is expected to be paid (under proper sanction) during the year shall be provided for, not the liability falling due within the year.
- (b) For fixed charges the detailed estimates shall show the full amount of the sanctioned scale: when it is found by experience that a saving will arise from any causes, a lump deduction may be made.
- (c) The number of employes shall be carefully stated in the detailed estimates, and checked; the rate of pay shall be stated, wherever possible, in order to admit of verification of the column of charge.

25. The pay of mallees attached to inspection bungalows may be estimated for under the head of "Repairs."

TRANSACTIONS WITH TREASURY.

26. The District Fund shall be lodged with the Collector of the district, who shall keep a separate account thereof.

27. The Collector of the district shall in like manner keep a separate account of the funds placed at the disposal of Local Boards.

28. District and Local Boards shall not appropriate towards expenditure any moneys received by them, but shall immediately send them intact to be credited in the treasury.

29. All money paid into a treasury to credit of the District Fund shall be accompanied by a challan in Form No. III, bearing the signature or initials of the Chairman, or of some other officer duly authorized to act on his behalf. This challan should show clearly the nature of the remittance, and should name the person through whom the payment is made.

30. All moneys remitted to the treasury by District Boards, and all payments made by the treasury by cheques or otherwise on account of the District Board, shall be entered in a pass-book; the pass-book shall remain in the custody of the Vice-Chairman of the District Board, and it shall be sent to the treasury with every remittance, and also on the last working day of every month. On receipt of the pass-book by the treasury officials the entry of the remittance made (if any) shall be initialled by the treasury officer, and then the charge side shall be written up to date, and the book returned at once to the office of the District Board.

The pass-book will be supplied by the treasury. It is not a District Fund account book, but is simply a copy of the account kept in the treasury of the money paid into the credit of, and taken out by, the District Board, and must therefore always be written up *only by the Government Treasury Department*, by whom the original account is kept.

31. No entries or marks may, under any circumstances, be made in the pass-book by any one connected with the District Board's office.

32. At the close of each month the balance in the pass-book shall be struck, the amount written in words, and signed by the treasury officer.

33. The account of each Local Board will be posted by the Sub-Divisional Officer concerned, in a separate pass-book, in which will be credited only the amount placed at the disposal of the Local Board from time to time by the District Board (*see* Rule 92).

34. Moneys paid into sub-divisional treasuries on account of the District Fund are not to be credited in the sub-divisional pass-book of the Local Board; but, when they are incorporated in the sudder treasury account, they will be entered in the sudder pass-book. Local Boards should report all such receipts to the District Board, so that the latter may watch for the credits in their pass-book.

35. When a grant-in-aid has been sanctioned by Government, it should be drawn from the treasury upon a bill signed by the Chairman or Vice-Chairman of the District Board, and with the bill should be forwarded a copy of the order of Government sanctioning the grant-in-aid: the amount should at once be credited to the account of the District Board, no money passing out of the treasury.

36. Whenever a District Board is authorized by the Government to receive advances from the treasury, it will be permitted to overdraw its account at the treasury to the amount of the authorized advance, and special instructions on the subject will be issued from the office of the Accountant-General on each occasion.

37. The amount of the balance of the District Road Cess Fund to be transferred to the credit of the District Fund will be entered in the pass-book at the close of each month. A separate intimation of the amount so transferred will be at the same time forwarded by the Collector to the Chairman of the District Board.

38. The Chairman or Vice-Chairman shall examine the pass-book from time to time, and see that all receipts and payments are duly entered therein: any alterations or corrections which he thinks should be made in the pass-book can only be made by the treasury officer at his instance, and, of course, not unless they are in accordance with fact and with the treasury accounts. No signature or acknowledgment of correctness will be taken from the Chairman or Vice-Chairman, but he will be understood to accept the pass-book as correct, unless he makes any specific objection to an entry or takes measures to have it corrected.

39. The treasury officer shall supply the Chairman, immediately after the close of each month's accounts, with a balance certificate in the following form:—

Abstract of District Fund Account for the month of

PAYMENT OF CLAIMS.

40. All payments on account of the District Fund shall be made by the Collector out of the said fund upon cheques signed by the Vice-Chairman for sums not exceeding one hundred rupees. When the Vice-Chairman is absent, or is from any cause incapacitated from signing, the Chairman shall sign such cheques on behalf of the Vice-Chairman.

41. Cheques for sums exceeding one hundred rupees shall be signed both by the Chairman and the Vice-Chairman; when the Vice-Chairman is absent, or from any cause incapacitated from signing, such cheques shall be signed

by any *ex-officio* member of the Committee other than the Chairman, on behalf of such Vice-Chairman.

If the Chairman be absent or unable to sign cheques in conjunction with the Vice-Chairman, he may delegate this duty to some member of the Board other than the Vice-Chairman.

42. Cheque-books will be supplied to Chairmen of District and Local Boards by the officers in charge of Government treasuries and sub-treasuries.

43. On receipt of a cheque-book from the treasury, the Vice-Chairman shall count the cheques therein contained, and the cheque-book shall remain in his custody.

44. No cheques shall be signed unless required for immediate delivery to the person to whom the money is to be paid.

45. Every cheque shall be drawn in English in favour of the person to whom the money is actually due. Payments shall not be made to any other person except on production of a written authority from the creditor to receive it on his behalf. This rule does not apply in the case of a cheque issued for a sum of money distributable as pay or wages among a number of District Fund employes, or in recoupment of the imprest.

46. The amount of every cheque shall be written in words as well as in figures, both on the cheque itself and on the counterfoil, and the counterfoil shall be initialled by the person or persons who sign the cheque. The word "only" shall always be inserted after the amount written in words in the body of the cheque.

47. Every cheque drawn for a sum in excess of Rs. 20 shall bear a receipt stamp of the value of one anna, and such receipt stamp shall be affixed before the cheque is signed.

48. When a signed cheque is cancelled, it shall be stamped "cancelled" by the Chairman or Vice-Chairman. The cancelled cheque shall be destroyed as soon as the accounts for the month in which the cheque was drawn have been audited. The amount of the cancelled cheque shall be entered as a receipt on the debtor side of the cash-book (Form No. IV) and shall be treated as a refund (*see* Rule 73).

49. Petty payments of Rs. 20 and under from the Committee's Office may be made out of an imprest to be granted to the Vice-Chairman. The imprest may be recouped at any time, and hence need not exceed Rs. 30 or Rs. 40 in amount.

50. It will usually be found necessary to grant an imprest to the District Engineer also. The amount of this imprest will vary in each district in accordance with the difficulty of communication between the spot where works are being carried out and the office of the District Board, but it shall in no case exceed Rs. 1,000. No large payments shall ordinarily be made by the District Engineer out of his imprest. Such payments shall, except under unusual circumstances, be made by cheques upon bills and certificates countersigned by the District Engineer.

51. The amount of each imprest, subject to the limit imposed in the preceding section, shall be determined by the District Board.

The Vice-Chairman or other officer to whom an imprest is granted will be held personally responsible for the safe custody of such portion of the imprest as is at any time unexpended.

VOUCHERS.

52. Every bill or other claim for payment from the District Fund shall be presented in the first instance to the Accountant, who will check and examine it, and if it be found correct and in order, will submit it for orders to the Chairman or Vice-Chairman. If payment of the bill so presented is to be made, an order for the payment shall be endorsed on the document, that is to say, on the bill presented by the person who prefers the claim. The order for payment shall run as follows:—"Pay Rupees or (Rs.)," the amount being written in words as well as in figures, and the order shall be signed by the Chairman or Vice-Chairman.

53. If the bill is to be liquidated out of the imprest, the Vice-Chairman shall, before signing the payment order, see the bill stamped with the words

"Paid in cash," in conspicuous type, and shall then make it over to the Accountant for payment. If the bill is to be liquidated by issue of a cheque, it shall be made over to the Accountant, and shall be stamped (both in original and duplicate, *see* Rule 111) with the words "Paid by cheque No. " in conspicuous type.

54. In the former case the amount shall be entered as a debit in the separate Petty Imprest Account to be kept by the Accountant, and in the latter case, *as soon as the cheque is signed*, in the appropriate column of the District Fund Cash-Book Form No. IV (*see* Rule 65).

55. Every payment made, either in cash or by cheque, shall be covered by a receipt, stamped if necessary, signed by the person to whom the money is due, and to whom it has actually been paid. A receipt signed by another person for the creditor, or with a stamp, is invalid.

56. The pay of the District Fund establishment shall be drawn on Public Works Department Bill Form No. 39, and every District Fund employé on the permanent establishment shall give a receipt in the Acquittance Roll in Public Works Department Form No. 37, for the sum paid to him.

57. Under section 33, proviso (2) of the Bengal Local Self-Government Act, the aggregate salaries and allowances, in any one financial year, of the establishment employed by any District Board for the purpose of heading (D), Public Works, of Part III of the Act, shall not, without the sanction of the Lieutenant-Governor, exceed 20 per centum on the total amount available for expenditure by such Board upon public works during the financial year.

58. In calculating the percentage the salaries of *all* establishments (permanent or temporary) employed by the District and Local Boards for the execution of public works shall be taken into account.

59. One bill, whether for establishment or other charges, shall ordinarily only contain details of charges to be taken against one of the budget heads in the cash abstract register of expenditure Form No. VI and in the register of monthly expenditure Form No. VIII (*see* Rule 76). If, however, it be convenient that a bill be presented which contains charges against more than one such head, the Accountant shall enface in red ink on the bill itself, above the payment order, the details of the apportionment of the charges. These details shall be also shown in the "Head in cash abstract" column of the cash-book.

60. All bills and vouchers that have been paid shall be numbered consecutively for the year in order of payment, and shall be pasted in a guard-book.

Sub-vouchers for payment made out of the imprest, however, shall be filed separately, and shall be attached to the periodical account to be submitted when the imprest is recouped (*see* rule 67).

CASH-BOOK.

61. The District Fund cash-book shall be maintained in Form No. IV. The receipt entries in this book will be made direct from the pass-book in regard to amounts credited direct to the Fund by the Collector of the District (*see* Rule 37). In regard to other receipts, the cash-book shall be posted as soon as any money is received in the District Board's office, irrespective of the fact as to whether the money is immediately remitted to the treasury or not.

No money collected by District Board officials shall be remitted direct to the treasury, but only through the District Board's office.

62. Expenditure will be entered in the cash-book, day by day, as cheques are signed.

63. As entries are made in the cash-book, the head of receipt or expenditure on account of which the entry is made shall be posted **very briefly** in the column provided for the purpose.

64. The cash-book shall be closed and balanced monthly, and shall be signed by the Chairman or Vice-Chairman at the close of the month in token of the correctness of all the entries made therein. In the event of any cheques issued during a month remaining uncashed by the treasury at the close of the month, there will necessarily be a difference between the balance brought out in the cash-book and that of the treasury pass-book, and of the certificate issued

by the treasury officer under Rule 39. This difference shall be explained by a note in the last page of the cash-book for the month in the following manner:—

	Rs.	A.	P.	Rs.	A.	P.
Balance as per cash-book ...	...			5,047	15	6

„ 23 „ 21st „ „ ...	40	0	0			
				90	0	0
Balance as per pass-book ...	...			5,137	15	6

IMPRESTS.

65. The amount of all imprests will be charged off at once in the cash-book as soon as cheques are granted, and will be debited to the head “Advances” and posted into the advance ledger Form No. IX (*see* Rule 77). The advances will remain at the personal debit of the officers to whom the imprests have been granted until they are repaid.

66. Whenever it becomes necessary to recoup an imprest, the Accountant shall copy out the details of the charges in the counterfoil of the form, make an abstract in red ink of the different heads of account to which the charges are to be taken, and submit the account itself, supported by the sub-vouchers, for the signature of the District Engineer or Vice-Chairman as the case may be. The sub-vouchers shall in all cases be passed by the District Engineer or Vice-Chairman previous to payment.

67. The District Engineer's imprest account shall be scrutinized by the Vice-Chairman, and if found correct and in order, the latter shall pass the account and issue a cheque for the amount of the same. The cheque in recoupment of the imprest shall be drawn in favour of the District Engineer, and the abstract of the charges alluded to above shall be copied into the “Head in cash abstract” column of the cash-book.

No entry will, of course, be made in the advance ledger, or on the receipt side of the cash-book when an imprest is recouped.

CASH ABSTRACT REGISTERS OF RECEIPTS AND EXPENDITURE.

68. All the entries on the receipt side of the cash-book (Form No. IV) shall be posted direct from the cash-book into the cash abstract register of receipts, Form No. V, and all the entries on the payment side of the cash-book shall be posted into the cash abstract register of expenditure (Form No. VI).

The cash abstract registers shall be posted as frequently as may be convenient, but in no case later than ten days after the close of the month to which the accounts relate.

69. Each item of receipt or payment appearing in the cash-book shall be posted separately into the cash abstract registers. Thus if there be two or three payments on the same day on account of the same head of expenditure, there will similarly be two or three entries under the same head in the cash abstract register, *i.e.*, the separate items appearing in the cash-book, and not the totals of the daily receipts or expenditure for each head, shall be posted into the cash abstract registers.

70. The columns of the cash abstract registers shall be totalled every month, and the totals of the different heads of receipt and expenditure must necessarily be equal to the totals of receipts and payments in the cash-book.

ADJUSTMENTS.

71. At the foot of each month's account in the cash abstract registers of receipts and expenditure (Forms Nos. V and VI) two lines are left blank for the purpose of entering therein, and bringing upon the books of the District Fund, the adjustments made during the month.

72. Adjustments are transactions which have to be recorded in the monthly and annual accounts of the District Fund, but which are not actual cash transactions, and which therefore do not in all cases appear in the District Fund cash-book.

73. Adjustment are of four kinds—

- (1) The transfer from one head to another of items of receipt or expenditure wrongly classified in the first instance in the cash abstract registers.
- (2) The transfer of a sum of money from the head "Advances" to a head of expenditure for work done by a contractor or other person, the said contractor having originally been granted an advance to enable him to carry out the work.
- (3) Refunds of revenue received or of expenditure incurred during the current year of account.
- (4) The debit to a head of expenditure by credit to "Deposits received" of a sum of money due on a contractor's bill, but not paid, being retained as a security deposit for the due execution of future works.

74. In case (1) the adjustment shall be made by entering the amount in the line for "Adjustments by addition" in the column for the head to which the amount is to be added, and again in red ink in the line for "Adjustments by deduction" in the column for the head from which the amount is to be deducted. Both entries will be made on the cash abstract register of receipts if the amount is to be transferred from one head of revenue to another, and both will be made in the cash abstract register of expenditure if the amount is to be transferred from one head of expenditure to another.

In case (2) the adjustment shall be made by entering the amount in the line for "Adjustments by addition" in the column of the cash abstract register of expenditure for the head to which charges on account of the particular work executed are to be taken, and in the cash abstract register of receipts in the line for "Adjustments by addition" under the head "Advances recovered." A corresponding entry must of course be made on the receipt or credit side of the advance ledger (Form No. IX) of the person by whom the work was executed, and to whom the amount adjusted was originally advanced.

In case (3) the adjustment shall be made by entering the amount in the line "Adjustments by deduction" in the column of the cash abstract register of receipts or expenditure for the head to which the amount refunded was originally credited or debited and in the cash abstract register of expenditure or receipts in the line for "Adjustments by deduction" in the column for "Refunds."

This procedure, however, shall not be followed when the refund made during the month is on account of revenue received during a previous year of account. In this case the amount refunded will remain at the debit of the head "Refunds," and no adjustment shall be made.

In every case of refund of revenue a note of the refund shall be made against the original entry of receipt in the cash-book or other register, so as to guard against a second refund of the same amount being accidentally made.

In case (4) the adjustment shall be made by entering the amount in the cash abstract register of expenditure in the line for "Adjustments by addition" in the column for the head to which the balance of the charges of the bill from which the deduction has been made has been taken, and in the cash abstract register of receipts in the line for "Adjustments by addition" under "Deposits received."

75. Adjustments made by deduction in the cash abstract registers shall always be exhibited in red ink.

REGISTERS OF MONTHLY RECEIPTS AND EXPENDITURE.

76. These registers will be in Forms Nos. VII and VIII. Form No. VII (Receipts) will be posted, month by month, from the cash abstract book of receipts, and the quarterly and annual total will give the figures for the quarterly and annual statement required to be prepared under section 54 of the Act.

The entries in Form No. VIII (Expenditure) must be in detail under works and repairs, and in abstract as regards establishment and tools and plant, &c., working up to the total under each head in the cash abstract register of expenditure; and the total under each head must be struck to admit of the monthly statement required by the Accountant-General being posted from this register.

The entries in Form No. VIII (Expenditure) will be obtained from the establishment and contingent bills and the bills for works and repairs: the total of the monthly entries will be the total for the monthly statement as above, and the quarterly and 12 months' totals will give the figures for the quarterly and annual statement required to be prepared under section 54 of the Act.

The quarterly statement prepared under the above section should be published in at least one local newspaper.

ADVANCES.

77. All moneys advanced to contractors or to the Chairman, Vice-Chairman, or other individuals under whose personal superintendence a work is being executed, all sums paid without proper vouchers, the amount of the imprests and any other advance that may be made shall, in the first instance, be charged to the head "Advances" and entered in the advance ledger (Form No. IX). A separate account shall be opened in this ledger for each person to whom an advance has been given, and this account shall be credited with the amount of any repayments that may be made.

78. In the case of advances made to contractors or others for the execution of works, the account shall be credited with the actual value of the work done upon receipt of detailed bills and proper vouchers for the expenditure incurred out of the advance. These adjustments shall be carried through the cash abstract registers (*see* Rule 73). Before the order for adjustment is made, the bills and vouchers put forward in support of the expenditure shall be passed in the same manner as other bills are passed. The passing order shall run thus:—"Passed for rupees . . . Adjust by credit to advance account of . . . and debit to . . ."

79. The different accounts in the advance ledger shall be balanced quarterly and signed by the Vice-Chairman. The Vice-Chairman shall at the same time satisfy himself that steps are being taken to recover or adjust advances which have been outstanding for more than three months.

DEPOSITS.

80. All sums of money received by way of security deposit from contractors or others, and all sums received which are not the property of the District Fund, and have been placed with the District Board for a temporary purpose only, shall be credited to the head "Deposits received" in the cash abstract register of receipts (Form No. V), and shall be entered on the credit or receipt side of the deposit ledger (Form No. X). As in the advance ledger, a separate account shall be opened for each depositor, and the accounts shall be balanced quarterly and signed by the Vice-Chairman.

81. It sometimes happens that deductions (usually ten per cent. of the total amount of the bills) are made from the bills of contractors as security for the due performance of work in the future.

In such cases the bills shall be passed for the full amount due on the bill, but only the net amount paid shall be entered in the cash-book (Form No. IV). The amount deducted as security shall be brought upon the District Fund accounts and into the ledger of deposits (Form No. X) through the medium of the cash abstract register in the manner described in rule 73. The payment order shall run thus:—

Passed for rupees	only. Pay rupees	by cheque
and adjust rupees	by debit to	and credit to deposit
account of		

EMBEZZLEMENTS.

82. Every embezzlement or misappropriation of District Fund moneys shall be reported at once by the Chairman to the Accountant-General, Bengal.

The report shall contain full details as to the total sum of money misappropriated, the method in which the embezzlement was effected, the absence of any rules by which the fraud was facilitated, and the steps taken to punish the offender.

REGISTER OF SECURITY DEPOSITS OTHER THAN CASH.

83. Security deposited in *cash* shall be credited at once in the cash-book of the District Fund to the head "Deposits received," and paid into the treasury like revenue. All other forms of security, such as Government paper, Savings Bank balances deposited under the rules in the Postal Guide, bonds for landed property, and the like, shall be recorded in a register in Form No. XI. When the security is surrendered, the depositor shall give a receipt in the column provided for the purpose.

ABSTRACT OF ADVANCES AND DEPOSITS.

84. At the close of every month abstract accounts shall be prepared of the advances made and adjusted, and of the deposits received and refunded during the month, and the balances remaining unadjusted.

85. The abstract of advances shall be prepared in Form No. XII, and the abstract of Deposits in Form No. XIII. In the column for remarks reference shall be given to the number of the bill upon which the whole or a portion of an advance has been adjusted (*see* Rule 78), or from which any sum has been deducted on account of security deposit (*see* Rule 81).

SERVICE BOOKS.

86. As, under section 35 of Act III of 1885, the Bengal Local Self-Government Act, it is within the competence of District Boards, subject to the approval of Government, to make rules regulating the grant of pensions and gratuities out of the District Fund, it is advisable, whenever such rules shall have been made and approved, that District Fund employes be required to keep up Service Books.

87. The opening page of the Service Book should be divided for entries in the following form :—

- (1) Name.
- (2) Race.
- (3) Residence.
- (4) Father's name and residence.
- (5) Date of birth by Christian era, as nearly as can be ascertained.
- (6) Exact height by measurement.
- (7) Personal marks of identification.
- (8) Signature of officer.
- (9) Signature of Vice-Chairman.

The entries in this page should be renewed or re-attested at least every five years.

The remaining pages should be divided for entries in the following form :—

- (1) Name of appointment.
- (2) Whether substantive or acting.
- (3) If acting, state the substantive appointment.
- (4) Pay.
- (5) Acting allowance.
- (6) Date of appointment.
- (7) Signature of officer.
- (8) Reference to any recorded punishment or censure, or reward or praise of the officer.
- (9) Signature of Vice-Chairman.
- (10) Date of termination of appointment.
- (11) Reason of termination (such as promotion, dismissal, &c.)
- (12) Signature of Vice-Chairman.

All the headings in the Service Book should be printed both in English and in the vernacular.

88. Service books should be maintained by every District Fund officer or servant in permanent employ. Every appointment, leave of every description (except casual), every period of suspension from employment, and every other breach of service should be noted in them, the date of the beginning and end of every employment or absence being certified at the time by the signature of the Vice-Chairman. The Service Book should be a contemporary record in minute detail of a person's official career.

The Service Books should be kept in the custody of the Vice-Chairman.

RECEIPTS ON ACCOUNT OF DISTRICT POUNDS.

RENT OF DISTRICT BUILDINGS, LANDS, CANALS, &c.

89. Separate registers shall be opened to show the details of each source from which periodical District Fund revenue is derived, for which there is a fixed monthly, quarterly, half-yearly, or annual demand.

The registers shall have columns to show—(1) serial number; (2) name or number of pound, building, plot of land, &c.; (3) term of lease; (4) name of lessee; (5) amount of monthly, quarterly, half-yearly, or annual rent; (6) number of bill; (7) initials of Vice-Chairman; (8) date of payment; (9) remarks, together with columns for any other particulars, which the special circumstances of the case may render necessary.

90. Whenever the number of buildings, land, &c., is large, it will be necessary to prepare a periodical abstract of opening balance, demand, realizations and closing balance, so that the Vice-Chairman may be enabled to exercise an efficient check over the outstanding dues.

ESTABLISHMENT SANCTION REGISTER.

91. In order that an efficient check may be maintained on the salaries drawn every month by District Fund employes, an establishment sanction register shall be maintained in Form No. XIV, separate pages being allotted to each class of establishment. In this register shall be entered details of every change in the scale of establishment employed by the District Fund, together with a reference to the resolution of the District Board in which the necessary sanction was granted.

LOCAL BOARD'S ACCOUNTS.

92. Funds shall be obtained by a Local Board in the following manner:—

An intimation shall be sent to the sub-treasury, near which the Local Board is situated, of the assignment or allotment made to it by the District Board, and the Local Board shall be allowed to draw cheques upon that sub-treasury up to the limit of the allotment for the year.

Each Local Board shall keep an account of its transactions with the treasury in a cash-book in Form No. IV. On the receipt side of the cash-book shall be posted the amount of the assignment granted by the District Board, and on the payment side shall be posted details of the cheques drawn by the Local Board against that assignment. The cash-book shall be closed and balanced monthly and signed by the Chairman or Vice-Chairman of the Local Board, and, as soon as possible after the close of each month, the Vice-Chairman shall forward to the Chairman of the District Board a duly authenticated copy of his cash-book, supported by the original vouchers, so far as are obtainable.

The Local Board's transactions, as exhibited on the payment side of the copy of their cash-book, will be scrutinized and passed by the Vice-Chairman of the District Board, and, if found correct, will be at once incorporated into the cash-book and other accounts of the District Board.

93. In the generality of cases exact accounts and vouchers will not easily be obtainable from zemindars, indigo and tea planters, and headmen of villages to whom moneys have been advanced for repairs to village roads. In such cases the money will ordinarily be advanced on receipt of a statement of the proposed works, and the estimated cost of doing them, and, instead of accounts, certificates shall be demanded from the persons to whom money

has been advanced, that it has actually been expended on the purposes for which it was given. A register shall be kept up in District and Local Boards' offices to exhibit what advances have been authorized, and it shall have columns to show the date of advance, the name of the person to whom the advance has been made, the name of the work or roads on which the money was to be spent, and the date of the certificate of completion of the work, together with columns for such other particulars as may be found necessary.

94. District and Local Boards shall arrange to have a certain percentage of such works inspected after completion; such inspection being carried out, not by a low-paid official, who might do harm, but by the Chairman or Vice-Chairman, or by some responsible member of the Board.

TRAVELLING ALLOWANCES.

95. Travelling allowances may be granted to officers, paid from the District Fund, at rates not in excess of those allowed to officers of equivalent position in the service of Government.

MONTHLY ACCOUNTS FOR THE ACCOUNTANT-GENERAL.

96. At the close of every month a monthly abstract of receipts and charges, extracted by totals of minor heads from the registers of monthly receipts and expenditure (Forms Nos. VII and VIII) shall be prepared by the District Board in Form No. XV. The memorandum on the first page A of the Form showing the balance of the Fund, will simply be a repetition of the memorandum as explained in Rule 64 in connection with the cash-book, reconciling the balance of the cash-book with the balance of the pass-book.

The account shall be despatched to the Accountant-General, Bengal, not later than the 25th of the month following that for which the accounts are due.

The Accountant-General will prepare a quarterly statement of the receipts and expenditure of each District Fund for publication in the Gazette.

AUDIT.

97. The Finance Committee appointed under section 55 of the Act shall audit the accounts before they are submitted to the Accountant-General, and shall certify the result and the correctness of the account as audited by them. The certificate shall be given in Form No. XV.

98. District Fund Accounts shall be periodically examined by the Examiner of Local Accounts in Bengal and his assistants. The Examiner of Local Accounts will see that the accounts are kept up according to the prescribed system and in the authorized forms, and that a due check is maintained against any possible fraud or other irregularity.

The reports of such examinations shall be forwarded by the Accountant-General, Bengal, to the Chairmen of the District Funds, showing in what respect, if any, the accounts are found to be deficient or defective, and the Chairmen shall without delay have such deficiencies or defects rectified. Copies of the reports shall, if the Accountant-General thinks necessary, be forwarded to the Commissioners of the Division and to the Collectors of the Districts concerned.

DISTRICT ENGINEER'S ACCOUNTS.

99. As the District Engineer is always located at the station where the District Board's office is situated, it is unnecessary for him to have a separate cash chest, and consequently it is not necessary for him to keep a separate disburser's cash-book, or to render disburser's accounts. His duties in respect to payment will, as far as possible, be confined to passing certificates and bills for payment, at the District Board's office, to the persons to whom money is actually due.

100. Imprest cash-books shall be kept in Public Works Department Form No. 3. If necessary, the District Engineer may be permitted to give a small sub-imprest to any subordinate for the disbursement of contingent charges to be recouped from his own imprest.

District Engineers shall invariably obtain the consent of the Chairman of the District Board before making any of their servants sub-imprest-holders.

101. All expenditure disbursed by the District Engineer and his subordinates should be met, as far as possible, from the imprest; any miscellaneous receipts, such as the sale proceeds of materials or produce, fines or refunds, realized by the Engineer or his subordinates, should not be allowed to accumulate, but should be remitted, as soon as received, to the District Board's office, and should not be passed through the imprest cash-book. Such remittances should be entered with the necessary details in a challan-book under the initials of the District Engineer, and this book, with the cash, should be sent by the District Engineer to the District Board's office to be receipted and returned to him.

102. Works should be carried out, as far as possible, either by contract or by piece-work. Such work should be paid for on certificates in Department Public Works Form No. 14 for contract work, or No. 15½ for piece-work.

103. If daily labour is employed, muster-rolls should be kept and filed with the subordinate in charge, to be inspected by the District Engineer. Sircars, peons, chowkidars, and other petty establishment specially employed for particular works, though charged as daily-labourers, should be paid monthly on acquittance rolls.

104. All materials purchased should be vouched by bills or purchase lists (Public Works Department Forms Nos. 18 and 19).

105. The expenditure on each work should be brought together in a day-book (Department Public Works Form No. 6D, half sheet, would appear most suitable). The day-book should show the expenditure on the work, the quantity of work done, and the rate of work on each item. The expenditure should be posted from details contained in the vouchers as passed by the District Engineer.

A reference should be given on the day-book to the number of page in the register of works.

106. Duly authorized establishment charges should be brought forward in monthly bills, which should, when practicable, be paid directly from the District Board's office, proper receipts or acquittance rolls, Public Works Department Form No. 37, being taken from the recipients.

107. It must be borne in mind that there is no such suspense head as "Stock" provided for in the District Fund accounts. The manufacture and keeping of "Stock" should be avoided whenever it is possible to purchase good material as it is required; and as the works paid for from the District Fund will be chiefly road work, any materials required must necessarily be for some particular road, and should therefore be charged as "material at site" against the estimate for the work. In exceptional cases, if material cannot be charged as at "site," the value must be charged in the account of "advances," a sub-head being opened for each description of material.

108. Road metal should be accounted for as in the Public Works Department (Form No. 33).

109. Measurement and note books (Public Works Department Forms Nos. 1M and 2M) should be kept by the District Engineers and their subordinates. As the measurement book is the basis of all accounts of quantities, whether of work done by piece-work, petty contract or contract, the entries therein should be carefully made from the official note-books of sub-divisional officers and their assistants. From the measurement book, all quantities should be clearly traceable into the accounts, and it should show clearly the progressive measurement, i.e., the total quantities executed up to date on account of each work. The measurement book should, as a rule, accompany the sub-divisional officer's bills, and it should be carefully compared with the latter, and also with the details in the sanctioned estimate. Any differences due to errors, excess quantities, unauthorised items of works, should be at once enquired into, and the District Engineer should initial the measurement book in token of its having been checked and examined up to date, and that it is a complete record of each kind of work done, for which certificates have been granted.

When note or measurement books are issued, the name of the subordinate to whom issued and the date should be noted on the book, and attested by the

signature of the District Engineer. A list of all books issued should be kept, in the District Engineer's office in view to their being promptly recalled and filed when done with.

110. The documents and accounts to be submitted by the District Engineer to the District Board's office will be as below detailed :—

- (a) Duplicate of imprest cash-book, with vouchers, submitted from time to time, as recoupment is required, or at not longer intervals than once a month, even if the imprest is not fully exhausted, in order that the disbursers' payments may be brought into the accounts of the month during which they have been made.
- (b) Certificates or bills for work executed, or materials supplied after being duly checked and certified to for payment.
- (c) Bills for all establishments duly certified to for payment.
- (d) A day-book for each work and repair in progress during the month.
- (e) A schedule or list of the day-books showing the amount of each.

111. All bills and certificates should be prepared and signed in duplicate. In the case of those to be paid in the District Board's office, the original, after being certified to as correct by the Engineer, should be returned to the payee for presentation at the District Board's office for payment, the duplicate being sent by the Engineer direct to the District Board's office by way of advice. After payment the original should be filed in the District Board's office as a voucher for the payment, and the duplicate should be returned receipted to the District Engineer for his guidance in respect to further certificates, but no payment should be made on these bills and certificates unless supported by an acknowledgment by the officer or subordinate concerned that the work has been efficiently done, or the supplies received, as the case may be.

112. The books to be kept in the District Engineer's office, besides the imprest cash-book, will be—

Register of bills passed.
Register of works.
Register of tools and plant.

Register of road metal.
Account of advances.
Account of deposits.

113. In the register of bills passed should be entered all bills and certificates received in the office, as well as the details of imprest accounts sent by sub-imprestholders for recoupment. The book should be ruled in columns to show—1st, date of receipt; 2nd, number of bill; 3rd, for what work or service; 4th, name of payee; 5th, amount of bill as presented; 6th, amount of bill as passed for payment; 7th, date of return of original bill to payee; 8th, date of receipt of duplicate from the District Board's Office after payment; 9th, number of the day-book in which the charge is included.

114. The register of works should be in Public Works Department Form No. 25. This document should be considered the next most important record to the cash-book, and care taken that it is posted with perfect accuracy, and that the entries for each work are strictly in accordance with the sanctioned estimate. In addition to entering the item of work, each sub-head in the abstract estimate should be numbered, and the corresponding numbers entered in the register, thus—No. 1, excavation; No. 2, earthwork; No. 3, soling, &c.

It often happens that expenditure is incurred on items of work not provided in the sanctioned estimate, and in such cases the amounts should be separately shown in the work register, and not charged off against any other sub-head on which there may be a saving.

In the case of original works and repairs, no item of estimate under Rs. 200 should be separately detailed in the register of works, and no work or repair estimated to cost less than Rs. 2,500 should be accounted for by sub-heads, except in certain exceptional cases where the District Engineer may desire it.

When a work is completed, a double line in red ink should be ruled below the last entry, and the following note made:—"Work complete and completion report forwarded to the Chairman with No. , dated ."

115. The registers for tools and plant and for road metal (Forms Nos. 3 and 33) should be kept similarly to those of the Public Works Department, that is to say, the expenditure on tools and plant should be entered in the register in the same manner as works and repairs. Each item whatever may be the amount, should be shown in detail, and at the end of every half-year account should be taken by a responsible officer who should certify the fact in the body of the register, any difference in balance at the end of the half-year between the figures of the columns "As per this return" and "Actual as counted" being fully explained.

116. It should be observed that advances for district road works are treated differently from "advances to contractors" in the Public Works accounts: in the Public Works accounts such advances are charged to works direct; in the District Fund accounts all advances are charged to the separate suspense account of "Advances," which account is credited with value of work done, supplies received, or labour performed, as the case may be. The account of deposits is similar to the account in use in the Public Works Department.

117. As all advances to contractors and others should be made from the District Board's office, and all deposits should be paid direct into that Office, the accounts of advances and deposits to be kept in the District Engineer's office are but memoranda for the guidance of the District Engineer in issuing certificates for payment. The accounts may be kept in the Public Works Form No. 29, appendix T, a separate folio being opened for each account, which should be balanced monthly.

118. District Engineers shall submit their accounts so as to reach Vice-Chairmen not later than the 10th of the month following that to which the accounts relate.

119. The offices of District Engineers will be periodically inspected by the Inspector of Local Works, who will report to the Magistrate of the District and to the Commissioner of the Division whether, in the execution of works and in the keeping, preparation, and submission of accounts, District Engineers conform to all the rules laid down for their guidance.

NOTIFICATION.

The 21st June 1886.—It is hereby notified for general information that the Lieutenant-Governor intends, in the exercise of the powers vested in the Local Government by section 351 of Act III (B.C.) of 1884, and on the recommendation of the Commissioners of the Moheshpore Municipality, in the district of Jessore, made at a meeting, to confirm the following bye-laws which have been framed by the Commissioners of the said Municipality under section 350 of the said Act, unless good reasons are shown to the contrary within one month from the date of the publication of this notification within the Municipality:—

BYE-LAWS.

1. Every carriage or cart plying in the streets after sunset shall carry a light or lights. The penalty for infringement shall be a fine not exceeding Rs. 5.
2. No owner of any carriage shall allow it to be driven by a driver under 14 years of age. The penalty for infringement shall be a fine not exceeding Rs. 10.
3. No long entire bamboos shall be carried through the streets after sunset, either by men or on carts. The penalty for infringement shall be a fine not exceeding Rs. 10.
4. No one shall let off any fire-balloons, fireworks or any missiles in or near any public street without the consent of the Municipal Commissioners previously obtained. The penalty for infringement shall be a fine not exceeding Rs. 10.
5. No person shall allow any pigs to be at large on any road or thoroughfare unless in charge of a herdsman. The penalty for infringement shall be a fine not exceeding Rs. 5.
6. No person shall carry a corpse through any highway unless it be decently covered or totally concealed from public view. The penalty for infringement shall be a fine not exceeding Rs. 10.
7. No person shall carry night-soil through the streets except between the hours of 9 A.M. and 4 P.M., or otherwise than in a closely covered receptacle, or use any places other than those approved by the Commissioners for the purpose of depositing such night-soil. The penalty for infringement shall be a fine not exceeding Rs. 20.
8. Every person within whose premises any animal may die shall, within four hours after its death, or, if death occurs at night, within two hours after daylight, either remove at his own expense the carcass to such place as may be set apart by the Commissioners for the reception of such carcass, or report its death to the office of the Commissioners, and in such latter case shall pay to the Commissioners the expense of removing the carcass at such rate as the Commissioners may determine, and in cases where the said person is not the owner of the animal, and the owner is known, the owner shall alone be responsible for such expense, and such expense shall be recoverable as a debt due to the Commissioners. The penalty for infringement shall be a fine not exceeding Rs. 10.
9. No person shall deposit, or cause to be deposited, within the limits of the Municipality, any carcass or any part of a carcass, in any place other than such places as may from time to time be appointed by the Commissioners for the reception of such carcass. The penalty for infringement shall be a fine not exceeding Rs. 10.
10. Within such limits as the Municipal Commissioners may appoint, no person shall construct or keep, after prohibition by the Municipal Commissioners, any well-privy. The penalty for infringement shall be a fine not exceeding Rs. 20; and the penalty for continued infringement shall be a daily fine not exceeding Rs. 1.
11. The Commissioners, by an order in writing, may direct the owner or occupier of any building to remove, within a specified time, any existing spout which is so placed that the water discharged therefrom shall be thrown or shall fall upon any public road or thoroughfare. The penalty for neglect to comply with the Commissioners' order shall be a fine not exceeding Rs. 5; and for continued infringement a fine of Rs. 1 daily.
12. No person shall construct or place over or by the side of any public drain, any bridge, platform, building, or structure of any kind except by and with the written permission of the Commissioners, and in such manner as they shall direct. The penalty for infringement shall be a fine not exceeding Rs. 10; the penalty for continued infringement after notice shall be a fine not exceeding Rs. 3 daily.
13. No person shall prepare any channel, or carry water by any channel, across any public thoroughfare, except in such manner as shall have been first approved by the Commissioners. The penalty for infringement shall be a fine not exceeding Rs. 10; the penalty for continued infringement shall be a fine not exceeding Rs. 2 daily.
14. The Commissioners may appoint different bathing ghâts for different sex; no male person shall bathe in a ghât appointed for women, nor any woman shall bathe in a ghât appointed for men. The penalty for infringement shall be a fine not exceeding Rs. 5.
15. No person shall steep in any tank or ditch within municipal limits, any jute, hemp, or other vegetable matter likely to render the water of such tank or ditch offensive or noxious to the neighbourhood. The penalty for infringement shall be a fine not exceeding Rs. 5; the penalty for continued infringement after notice shall be a fine not exceeding Rs. 2 daily.

BYE-LAWS UNDER ACT III (B.C.) OF 1884 FOR CULNA MUNICIPALITY.

For regulating the conduct of business at meetings of the Commissioners.

1. Meetings shall be convened by the Chairman or Vice-Chairman, by notice to be addressed to each Commissioner, at least three days before the day of the meeting.
2. In the event of the Chairman or Vice-Chairman determining to call a special meeting, not less than one clear day's notice shall be given to the Commissioners of the day fixed for such special meeting.
3. Every notice convening a meeting shall be accompanied by a list of the business signed by the Chairman or Vice-Chairman to be brought forward at such meeting.
4. Any Commissioner wishing to bring forward any business shall give notice of such intention in writing to the Chairman a week before the meeting, so as to admit of its being included in the list of business to be laid before such meeting.

5. No resolution, or any business or proposition not included in the list of business, shall be considered final unless ratified at a subsequent meeting.

6. At all ordinary meetings, the proceedings shall be commenced by the minutes of the last ordinary or special meeting being read with a view to ascertain if the resolutions passed at such meeting have been faithfully and accurately recorded in the words used by the mover of such resolution, or if amendments thereto shall have been passed, in the words used by the mover of such duly passed amendments.

7. In the event of any Commissioner being of opinion that any such resolution has not been accurately recorded, it shall be competent to such Commissioner to state his opinion to that effect, and thereupon the Chairman shall decide whether or no such resolution has been accurately recorded, by reference to the original draft of such resolution written and signed by the mover, and if he finds the minute to be inaccurate, he shall then and there make the necessary correction in the minute book, provided that no discussion as to the propriety or otherwise of such resolution shall be allowed.

8. The order in which several subjects shall be discussed at a meeting shall be determined by the order in which they are mentioned in the Chairman's list.

9. Every proposition made shall be written out by the proposer and signed by him.

10. Every proposition shall be seconded by one Commissioner, who shall also sign the draft proposition written out by the proposer.

11. The Commissioner who first addresses the meeting shall be entitled to be heard first, and should more than one Commissioner address the meeting, the right of precedence shall be determined by the President.

12. Any Commissioner may propose an amendment to a proposition, to the effect that certain words in the proposition originally made be omitted therefrom, that certain words be substituted, or that certain words be added thereto, provided that such amendment be proposed when the subject is being discussed and the original proposition is still before the meeting.

13. On the discussion being concluded, in the event of several amendments having been proposed, the President shall put the last amendment to the vote first: if negatived, he shall put the second amendment and then the first, and if all the amendments are lost, the original proposition shall be put to the vote.

14. No Commissioner shall be allowed to vote by proxy when he is unable to attend a meeting or under any circumstances.

15. On a proposition being made and seconded, the President shall put the same to the vote.

16. All votes shall be put by the President first in the affirmative and then in the negative form.

17. Any Commissioner may decline to vote on any subject without assigning his reason from abstaining from voting.

18. Any Commissioner may make a proposition that a subject under consideration be postponed, or that the consideration of it be adjourned either to a fixed date or *sine die*.

19. It shall be competent to any Commissioner to move a resolution to the effect that the subject under consideration be referred to a Committee, and such Commissioner may also at the same time propose the names of the members of such Committee.

20. A subject once finally disposed of by a resolution duly passed at a meeting shall not be re-opened at any subsequent meeting unless at least three-fourths of the total number of Commissioners present at a meeting of which due notice has been given consent that such subject shall be re-opened and reconsidered, provided that resolutions adjourning the consideration of a subject may be reconsidered at any meeting after the usual notice.

21. The minutes of the proceedings of all meetings shall show the names of the President and all members attending, the words of every proposition and every amendment, and in cases where votes are taken the number of votes *pro* and *con*.

For regulating the mode of collecting taxes.

22. Every person required in writing to furnish any schedule, return or information which the Commissioners may lawfully require him to furnish shall send such schedule, return or information to the office of the Commissioners within two weeks from the service of the requisition in the manner described in section 356 of Act III (B.C.) of 1884.

Any person failing to do so shall be liable to a penalty not exceeding Rs. 10 for the omission, and to a penalty not exceeding Rs. 2 for every day the omission shall after warning continue.

For regulating the conduct of persons employed by the Commissioners.

23. All persons employed by the Commissioners whose services may be no longer required, shall be liable to discharge after receipt of previous notice or pay in advance for the period of one month, and no such person shall withdraw from the duties of his office without having given previous notice for the period of one month, on pain of forfeiture of one month's salary.

24. The Commissioners shall have power to dismiss or degrade for neglect of duty or misconduct any person employed by them, or to inflict a fine not exceeding one month's

For the regulation and management of privies.

25. Every person shall construct his privy above ground, and shall provide his privy or premises with a suitable moveable receptacle of metal or earthenware.

The penalty for infringement shall be a fine not exceeding Rs. 20.

26. No person shall allow the water of any sink, sewer, cesspool or privy or any offensive matter belonging to him or being on his land to flow into any river, nullah, canal, tank, drain or hollow excavation.

The penalty for infringement shall be a fine not exceeding Rs. 10; the penalty for continued infringement shall be a fine not exceeding Rs. 2 daily.

27. Every owner or occupier of any house, land, or premises from which offensive matter is not removed by the said owner or occupier, shall, after six hours' notice, give free access to the servants of the municipality to such part of his house, land, or premises where night-soil or filth is kept, for the removal of the night-soil or filth within such hours as may have been fixed by the Municipal Commissioners.

The penalty for infringement shall be a fine not exceeding Rs. 10.

28. Every owner or occupier of any privy, cesspool, or drain, the cleansing of which is undertaken by the municipality, shall pay the required fee in advance to the municipal office by the fifth day of every month, failing which cleansing shall be discontinued. Should such privy, cesspool, or drain be found filthy on inspection, the owner or occupier shall be liable to a fine not exceeding Rs. 10.

29. Within fifteen days of receipt of a notice in writing from the Municipal Commissioners, every owner or occupier of any house, land, or premises, in or on which any underground privy, or any other privy, which may seem to the Commissioners to be noxious or improperly constructed, may be situated, shall cause such privy to be filled up, closed or otherwise altered, as may be directed in the notice, and if the order contained in the notice be not carried out within fifteen days from the date of service thereof, the Commissioners may themselves cause to be filled up, closed, or altered the privy mentioned in the said notice, and any expense so incurred by the Commissioners shall be recoverable in the same way as arrears of house-rate.

For regulating traffic in the streets.

30. No person shall leave any cart or carriage on any public road except for the time occupied in loading and unloading them.

The penalty for infringement shall be a fine not exceeding Rs. 10.

31. No person shall allow any moveable property to remain in any road for more than a reasonable time without the permission of the Commissioners.

The penalty for infringement shall be a fine not exceeding Rs. 20.

32. No person shall let off any fire-balloons, fireworks, or firearms in or near any public road without the permission of the Commissioners, nor otherwise as the Commissioners shall direct.

The penalty for infringement shall be a fine not exceeding Rs. 20.

33. Every carriage plying between dusk and dawn shall carry two conspicuous lights; and every cart, paliki or other vehicle, elephant or camel shall carry one conspicuous light.

The penalty for infringement shall be a fine not exceeding Rs. 20.

34. No person shall in any way obstruct or allow to be obstructed any of the lanes, walks, bye-ways or other thoroughfares, or any bazar by exposing for sale or accumulating anything on any such lane, walk, bye-way or thoroughfare.

The penalty for infringement shall be a fine not exceeding Rs. 10.

35. No person shall, without the permission of the Commissioners, take an elephant or camel along any public road within the limits of the municipality except by such route as shall be fixed for the purpose by the Municipal Commissioners.

The penalty for infringement shall be a fine not exceeding Rs. 20.

Bye-laws.

36. No person shall construct any structure or by the side of any public drain, any bridge, platform, or building of any kind, except by and with the written permission of the Commissioners, in any manner as they shall direct.

The penalty for infringement shall be a fine not exceeding Rs. 10; the penalty for continued infringement shall be a fine not exceeding Rs. 2 daily.

[First Publication.]
NOTIFICATION.

The 24th June 1886.—In modification of the notification dated the 18th July 1882, published at pages 617-18, Part I of the *Calcutta Gazette*, dated the 19th idem, the Lieutenant-Governor of Bengal is pleased, in exercise of the powers conferred by section 7 of the Petroleum Act, 1881, and with the previous sanction of the Governor-General in Council, to make the following revised rules to regulate the importation of petroleum. They shall have effect from the 10th proximo.

PRELIMINARY.

1. (1) All words and expressions used in these rules and defined in the Act shall in these rules have the meanings respectively assigned to them by the Act.

(2) In these rules—

“Petroleum declared dangerous” means petroleum which the master of a ship has declared under rule 2 to be dangerous petroleum.

“Certificated petroleum” means petroleum covered by a certificate granted at the port of shipment, or such description as the Local Government may, from time to time, by written order describe, and to the effect that the petroleum is not dangerous petroleum.

“Uncertificated petroleum” means petroleum which the master of the ship has not declared under rule 2 to be dangerous petroleum, and which is not covered by a certificate as aforesaid.

“Petroleum reported dangerous” means petroleum stated in a report signed by the Chemical Examiner to Government, and deposited in the office of the Port Commissioners, to be dangerous petroleum.

“Petroleum reported not dangerous” means petroleum stated in a report as aforesaid not to be dangerous petroleum.

IMPORTATION AT CALCUTTA.

2. The master of every ship bound for Calcutta and carrying petroleum shall, before reaching Budge-Budge, declare in writing to the pilot*—

- (a) what quantity of petroleum the ship is carrying;
- (b) whether any, and if so what, part of it is dangerous petroleum; and
- (c) whether any, and if so what, part of it is certificated petroleum.

Where the master declares that any petroleum is certificated petroleum, he shall produce to the pilot the certificates covering the same.

3. A ship having on board more than 40 gallons of petroleum declared dangerous shall not proceed upwards beyond Budge-Budge, and such petroleum shall be landed at the petroleum wharf, and shall be detained there until the issue of an import license under section 4 of the Act, or the orders of the Local Government for the disposal of the same.

4. A ship having on board more than 400 gallons of certificated petroleum, or more than 40 gallons of uncertificated petroleum, shall not proceed upwards beyond Budge-Budge; but such petroleum shall be landed at the petroleum wharf and detained there till the Chemical Examiner reports that it is not dangerous. These rules shall not apply to petroleum which is ordinarily used for lubricating or other purposes, and which has a flashing point above 150° by Abel's test. On the master of a ship producing a certificate that the petroleum which he has on board is of such description, the ship may be brought up to the jetties and her cargo discharged in any ordinary manner, but the Commissioner of Police shall be entitled at any time to cause samples of such petroleum for the purpose of having them tested.

5. A ship having on board only certificated petroleum not exceeding 500 gallons may proceed to any moorings in the Port of Calcutta and discharge the petroleum.

6. (1) When under the provisions of these rules petroleum has been landed at Budge-Budge, the Superintendent of the port shall, within as short a time as possible, not exceeding 48 hours from the time of the petroleum being landed, obtain samples of the petroleum so landed.

(2) Every different quality of petroleum shall be separately sampled and when petroleum is certified to be of uniform quality, a sample shall be taken from not less than one case in every 10,000 cases.

(3) The Superintendent shall forthwith forward the samples, and having labelled them with the name of the ship, the name of the consignee, and such other distinguishing marks as he shall deem necessary, to the Chemical Examiner.

* The pilot should deliver this declaration to the Harbour Master, and the latter comes on board.

(4) The Chemical Examiner having tested them shall, within 24 hours after the receipt of the samples, sign a report declaring that they are or are not dangerous petroleum (as the case may be), and forward that report to the office of the Port Commissioners, and shall also send a copy of the same to the Commissioner of Police, Calcutta.

7. Petroleum which has not been reported under the last preceding rule not to be dangerous petroleum shall not be removed from the wharf, except in accordance with a license granted under section 4 of the Act, or under an order of the Local Government.

8. When the petroleum declared dangerous on board a ship amounts to more than 40 gallons, and is not covered by an import license granted under section 4 of the Act, and the master desires to proceed above Budge-Budge, the Local Government may, if it thinks fit, grant to any person a license to possess that petroleum at such place for such time and subject to such undertaking by such person for the re-exportation of that petroleum at the expiration of that time as it thinks fit; and may, notwithstanding anything hereinbefore contained, permit that petroleum to be landed and delivered to that person in such manner and subject to such conditions as it thinks fit.

9. Nothing in the foregoing rules applies to petroleum imported from the United Kingdom in iron drums, as part of a general cargo, when the certified flashing-point of such petroleum by Abel's test is above 80° Fahrenheit, provided that the quantity imported in any one ship does not exceed 2,000 gallons. A ship carrying only petroleum of this description may enter the port without any restriction, so far as the above rules are concerned and discharge its cargo in the ordinary manner. The Commissioner of Police shall, however, be entitled at any time to obtain a sample of such petroleum for the purpose of having it tested.

IMPORTATION AT OTHER PORTS.

10. The master of every ship conveying petroleum shall on entering a port in the Lower Provinces of Bengal other than the Port of Calcutta, give intimation of the quantity and description of the petroleum to the Magistrate of the district, and shall not allow more than three gallons of dangerous petroleum to be removed from the ship for delivery to any one person, except upon the production by the consignee or his agent of a license under section 4 or section 5 of the Act (as the case may be) to possess the same.

GENERAL.

11. Nothing in the foregoing rules applies to petroleum comprised in a ship's stores and manifested as such, provided it is not of unreasonably large amount. If any question arises as to whether any petroleum manifested as ship's stores is of an unreasonably large amount, the decision thereon of the Port Commissioners in Calcutta and of the Magistrate of the district elsewhere shall be final.
